

GLOBAL WARMING AT HOME

(COLLEGE EDITION)

Carlos Aleman

Andrew Baris

Tina Bui

Introduction

- Critical junction in earth's history
- Evidence
- You can help

GARAGE

Carpool When You Can

- Carpooling with friends saves fuel!
- Savings per year?
 - 790 lbs. of CO₂
 - \$500

Buy a Hybrid Car and/or Fuel Efficient Car

- They even look cooler...
- Savings per year?
 - 16,000 lbs. of CO₂
 - \$3,750

Inflate Your Tires

- Keep the tires on your car adequately inflated. Check them monthly.
- Savings per year?
 - 250 lbs. of CO₂
 - \$840

Use Recycled Paper

- Make sure your printer paper is 100% post consumer recycled paper.
- Savings per year?
 - 50 lbs. of CO₂
 - \$20

Air Dry Your Clothes

- Instead of using the dryer in the warm seasons, line-dry your clothes. (it's more fun too!)
- Savings per year?
 - 700 lbs. of CO₂
 - \$75

BEDROOM

Adjust Your Thermostat

- Move your heater thermostat down two degrees in winter and up two degrees in the summer.
- Savings per year?
 - 2000 lbs. of CO₂
 - \$98

Unplug Un-Used Electronics

- Even when electronic devices are turned off, they use energy
- Savings per year?
 - 1,000 lbs of CO₂
 - \$256 per year

Put on a Sweater

- Instead of turning up the heat in your home, put on more clothes!
- Savings per year?
 - 1,000 lbs. of CO₂
 - \$250

Use Fluorescent Bulbs

- Replace (at least) 3 frequently used light bulbs with compact fluorescent bulbs
- Savings per year?
 - 300 lbs. of carbon dioxide / year
 - \$60 / year

BATHROOM

Take Shorter Showers

- 2/3 of all water heating costs are from taking showers
- Savings per year?
 - 350 lbs. of CO₂
 - \$99

Low-Flow Showerhead & Sink Faucets

- Less water = less energy to heat the water!
- Savings per year?
 - 550 lbs. of CO₂
 - \$275

KITCHEN

Reduce Reuse Recycle

- Buy products with less packaging and RECYCLE!
- Savings per year?
 - 1,000 lbs. of CO₂
 - \$10

Turn Off the Lights

- You're not using them...so why keep them on???
- Savings per year?
 - 100 lbs. of CO₂
 - \$45

Use Manual Appliances

- Requires no electricity. Use your muscles!
- Savings per year?
 - 100 lbs. of CO₂
 - \$40

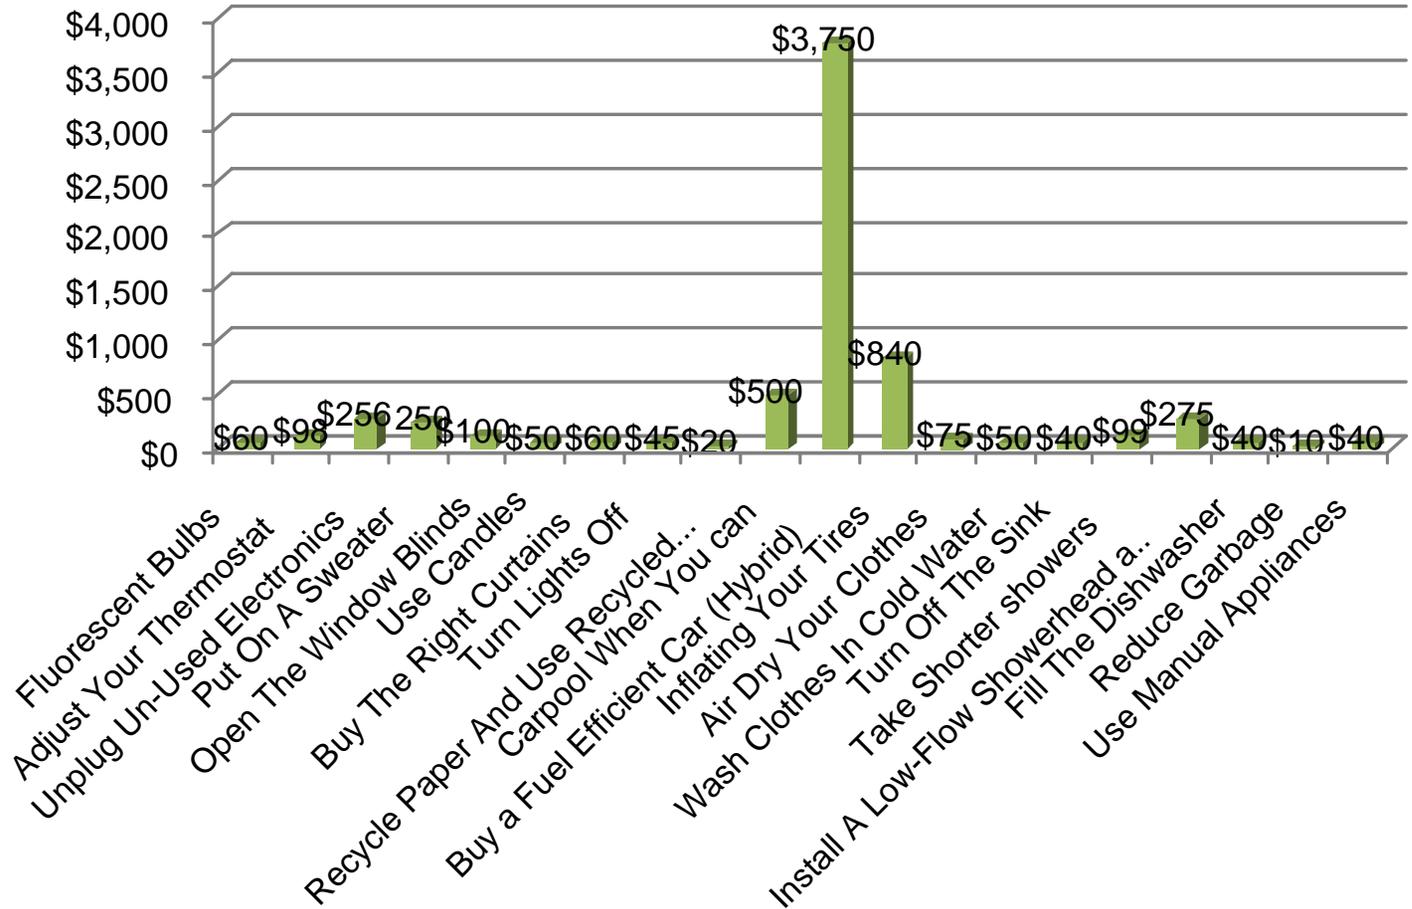

Fill the Dishwasher

- Only with a FULL LOAD!
- Savings per year?
 - 100 lbs. of carbon dioxide
 - \$40

Open the Window Blinds

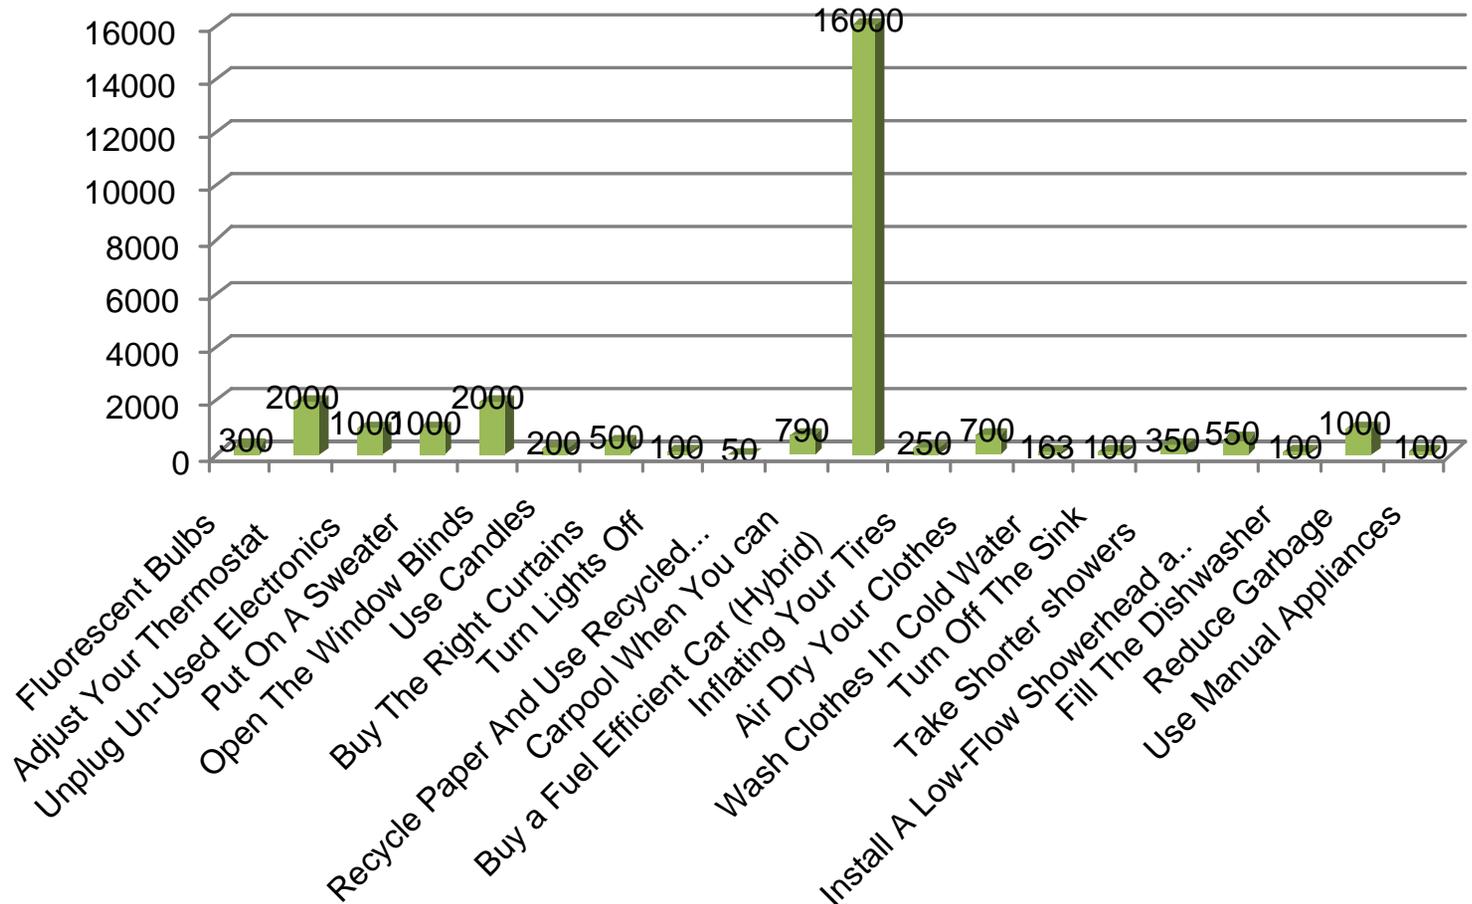

- Close light-colored shades or blinds during warm weather (visa versa in cold)
- Savings per year?
 - 2000 lbs of CO₂
 - \$100

Money Saved In 1 Yea

Total: \$ 6,658.00

Saved CO2 Emissions In LBs In 1 Year

Total: 27,253 lbs

THE END
