Nov. 30	27	Environmental Change, Policy and Society II	JB
Dec. 2	27	Environmental Change, Policy and Society III	JB
Dec. 4		Final thoughts and final exam review	DA, JB

Final Exam: Wed. December 9th, 7-10 PM. Note: No early Final Exams will be given.

Grading: Attendance in lectures and discussion section is required. Three Lecture Exams (45% of total grade) + comprehensive Final Exam (15 %) + Engagement (5%) + Homework (17 %) + Portfolio (18%) = 100 %. There are no make-up exams given. If you miss a lecture exam, then the lowest grade of your other two exams will substitute for the missing score. Only one missed exam can be substituted for in this manner. If there are special extenuating circumstances presented within 24 hours, alternatives to this policy will be considered. Extra credit opportunities will be described on the course web site. There will be a group extra credit exercise in class that can result in positive or negative points to your grade, depending on the group dynamics of the class.

Academic dishonesty: Falsification of attendance records, cheating, and plagiarism are three forms of academic dishonesty. You are responsible for understanding what constitutes academic dishonesty. All forms of academic dishonesty will be dealt with seriously. See the class website and the Dean of Students website for policies on academic dishonesty, students with disabilities, information on instructors, etc.

The University Honor Code: "The core values of The University of Texas at Austin are learning, discovery, freedom, leadership, individual opportunity, and responsibility. Each member of the University is expected to uphold these values through integrity, honesty, trust, fairness, and respect toward peers and community."

Religious Holidays: A student who misses classes or other required activities, including examinations, for the observance of a religious holy day should inform the instructor as far in advance of the absence as possible, so that arrangements can be made to complete an assignment within a reasonable time after the absence.

Students with disabilities may request appropriate academic accommodations from the Division of Diversity and Community Engagement, Services for Students with Disabilities, 471- -6259.
